

a telescope.

Wishing you all success in your studies,

I remain Dear Sir,

Yours very faithfully

Thomas William Webb

Hardwick Passage,
Hereford.

June 21. 1858.

P.S. I thought I had Mr. Baker's numbers
and left a blank to fill it in, but I cannot find
it - I fancy however it is something like 277 -
and I know you will find it, on the South side,
between Little Queen Street and Channing Lane -
I think nearest the former.
