

Oct. - You will see a blank in the Receipt left
for the insertion of the day at the time of pay-
ment. Either the applicant or the clerk in the
Dorset Office, can fill this up at the time. -

I dare say you will kindly allow me to refer to
your ingenious ideas (I know ^{you} do not wish your "name
in question" as we say) about Lunar Stratification when
I touch on that subject as I may have to do in Brit.
No. 2 possibly drawn. -

I must close now - & with Mrs Webb's kind
regards prophetic me,

Yours Sir,

(Most certainly) Yours affectionately

Thomas William Webb.

Please present my kind remembrances to Mrs
Ranyard, and your father.
