92 Newford. 22 Sep: 1873

Dusk after the Bishop's Charge in great haste
Hydeauk Athun,

He has unkenelled the fox I think. -
I entire information obtained on Saturday -
Contradicted of the fact since communicated
That search has been made in Newford
And the bill is there. Proved 12 Sep.
1845. - Hannah Propper when you was
kindly spoke to in her cottage, being asked by
me about the proving in London ^{since} she has
never used to say that Ch. Powell told her
he went to London to prove it & paid £10.
I have no dependance on anything he
may have said, I'm sorry to say. -

Written on a watchmakers counter -

Yours very affectionate

J. W. Webb

I had need go with you, a man
