

after all - over-pressed as I was at the time -  
but of my correspondent - but an acceptance  
of my Editorship of the MD Colonel - so that  
must go forward speedily - "worse luck"; as the  
country people say, though I ought not to say  
so, of a tribute to my dear Father's memory. -  
I will put on the opposite page - for the e-  
specially information of yourself and your legal  
friends, as to how law is done in the country -  
one of the most successful of attempts at  
nonsense.

You will be very sorry to find that my dear  
Lope has suffered very much from severe pain  
in consequence of going to the Lecture. Mrs. Key-  
att says she had received the parcel & my wife  
is very much obliged to you for taking it. Many  
thanks for your very kind care of Bella; she found  
friends of ours at Ross Station, who took her to Mon-  
mouth in their Fly. Our united best love,  
our most affectionate J. W. Webb.

Signed, sealed, and delivered by the  
Testator J. P. in his presence who  
at his request and in his presence  
and we as Witnesses in his presence  
and in the presence of each other sub-  
scribe ourselves as Witnesses.

(I hereby certify the above  
to be a True Copy!

J. W. Webb !)
