

Hardwick Vic. 19 Nov. 74. (103) ~~103~~

Improving considerably I am thankful to say. -
Will you please look in a Directory & see if there is
in London a Watchmaker named Prost? There
is such an one at Vevey, of whom we bought a watch -
he said he had an agent in London, & referred us to
him, but never gave us his name! Possibly it may
be a brother or cousin of the same name.
