

Most valuable, from her excellent judgment -
but this was combined with perhaps the most
perfect sympathy I have ever met with.
I ~~have~~ never knew anyone more willing to put
themselves in the place of others - all suf-
fering or trouble or difficulty - much afflic-
ted in her own family & health, but bearing
everything with exemplary patience & cheer-
fulness. We shall hope to see some-
thing of you during your stay

My wife's kind love. It is a sore trial
when -

your unaffected friend
