

Hardwick Vic. 10 Nov. / 76. feel sure
I know of no particulars but ~~believe~~ ^{feel sure} there must
be a dome & probably Clock. (Side: Clock I
know there was - about driving I am not sure).
I don't know the Ex^{or's} address but a friend of mine
does, & I will enclose to him, & ask him to commu-
nicate with you direct to save time. Many thanks
about Artists.
