

Cousin Mr. Fleming.

We have just had a
friend staying with us
who is a cousin of yr.
friend Mr. Crawshaw.
She says he had his
money from the iron
works & I conclude
he is a nephew of
the wondrously rich
Mr. Crawshaw whose

Cousin married my
Cousin Mr. Greenfield
& her father was the
son Sir Joseph Bailey
made a Baronet by
the Long Government
& the former owner
of Glanuck Park -
All that party roll in
riches. With kindest
regards & love from
my husband. I remain
Yrs sincerely J. M. Webb
