W.B. this article yclepeth Confider, alias
C.R. Jones, alias Cyclops, alias W. 10 pounds,
has only an altayth stand. But I think it is
cheap enough if it will answer your cousin's pur-
pose. The metal is unquestionably a capital alloy,
hard & white. We leave for Hardwick middle
day Sat. - Last lecture of funny little course
to little girls tomorrow - I must go to stick
up Δαγαρεματα πολλα και ποικιλα and
some of them sehr hässlich I fear - I have
been making models with empty champagne
bottles - but did not see Prof. Faraday - the
honourable & honoured, cut a model of a Crystal
