My dear Mr. Atten,

I cannot tell you how much obliged I am. - Now I better acquainted with the business I c^d. give a more decided answer - but yr. Clergy Directory giving the value a little under £300 makes it very questionable - with nearly 4 times the population too. - However sh^d. it not be necessary to decide it before we see you we can talk it over then.

I am much pleased for time as you suggest - yr. being grateful
