

letter & I think I must find a
 copy somehow for ^{a present to} the writer. I was
 on 3 things combine to keep us back-
 in a work where error is most easy-
 distance from Town & having 2
 assistants & all of us mutually dis-
 tant. But we are on in Equuleus
 or somewhere thereabouts (Does that
 mean Donkey?) - There's one favour
 I want back relating to the ^{book} - Can you
 tell me what is Stampfer's Scale of
 mag^s vth Schönfeld adopted? He
 (Schönf) has rather stupidly omitted to
 tell us what it is or where to be found.
 Wherefore I am very angry with him.
 And in fact wish all the systems of mag^s
 packed up & put on top of Great Pyramid.
 There isn't a good one in the lot says
 that stupid old fagie at Hardwick who is
 near ~~tho~~ his dear Arthur's very affec^t.
 Friend

My dear Arthur

My husband will try
 to write on the back of this
 note, but he is off into his
 March there are so many
 sick poor just now.
 He is pretty well but his
 head work has been hard
 with "C.O." & though Mr
 Sadler has helped him
 in some things, he has
 made several mistakes
 which recapitulated my
 husband looking very
