

produced a very diffused nebula, here.

3. I have found for you the instance of a
Cometary Hood etc on one side (after having repeatedly
missed it.) It was Donati. Vide Astron. Nachr.
Vol. LII. N^o 1242.

And now you must allow me to congratulate
you on the admirable spirit with which you met
Mr. Davis's groundless assertion. you have got
above him 50¢ of in the opinion of every calm,
dispassionate, gentlemanly man. - I had no opportu-
nity in Chelt. of making out anything about him.

"Sarah Jones is here, Sir" - a message from
beneath which cuts off all the rest I had to say -
which was nothing - so with my wife's kind love
believe me dearest Arthur

your very affectionate Old Friend
