

Hardwick vicarage, 16 Nov. 1870.

(25) 29

My dearest Arthur,

Many congratulations, and cordial ones, on your very well merited success. The other affair is, as you truly say, mere matter for a smile - but I fear it may be our poor friend's special infirmity. -

Did you happen to notice what was said about Jupiter & the Sun in that same No. (the Nov. one) of the Aston Register? If not, please turn with when next at South House. -
