

Stardwick Vicarage, Hay <sup>331</sup>  
324 (261) 25 Mar. 85.

My dearest Arthur

Thanks for the Circular which  
I send on today.

Very sorry you can't come here -  
I ought to write to Lady M Howarth  
but don't know her address. Will you  
please send it me some time. —

I am much concerned indeed about  
Young's Pen. You were so kind as to  
send it me - but I have the fullest  
conviction that I returned it long (i.e.  
months) ago: & I can see nothing of  
it here. Do please have a severe  
search - for I should be so sorry if it were  
not forthcoming. And you will let me  
know the result. —

I want very much your kind opini-  
on on a point - not of law! I am making  
quiet & gradual preparation for the gener-  
al Sale which must some day or other emp-  
ty the poor old Vicarage, and I want you
